ABOUT

Department firmly believes in nurturing socially responsible individuals who actively contribute to the betterment of society. To instill a sense of empathy and responsibility among its students, the department has started "Students for Society" activity from this year. This initiative allows students to engage in various social work projects as part of their extracurricular activities (ECA), providing them with an opportunity to make a positive impact on the community.

The "Students for Society" activity has proven to be a transformative experience for both students and the community. The impact of these initiatives is evident through. The various campaigns and awareness programs positively impact the community, spreading awareness and fostering positive change. Through the cloth collection, stationary drives, and book donations, students contribute to sustainable improvements in the lives of the underprivileged.
