UNDER THE MoU BETWEEN

DEPARTMENT OF COMPUTER SCIENCE AND APPLICATION

ATAL BIHARI VAJPAYEE VISWAVIDYALAYA,

BILASPUR (C.G.)

AND

SWAMI ATMANAND GOVT. ENGLISH MEDIUM COLLEGE, BILASPUR (C.G.)

DATE: 03 FEBRUARY, 2024

EVENT DETAILS

The Department of Computer Science and Application at Atal Bihari Vajpayee Viswavidyalaya, Bilaspur (C.G.), organized a one-day training program on "ICT and AI for Education" for the students of Swami Atmanand Govt. English Medium College, Bilaspur (C.G.), held under the MoU between the Department of Computer Science and Application, Atal Bihari Vajpayee Viswavidyalaya, Bilaspur (C.G.), and Swami Atmanand Govt. English Medium College, Bilaspur (C.G.). The program aimed to introduce students to the emerging technologies of Information and Communication Technology (ICT) and Artificial Intelligence (AI) and their applications in education.

The event commenced with a warm welcome by Dr. H. S. Hota, HoD, Department of Computer Science and Application, Atal Bihari Vajpayee Viswavidyalaya, Bilaspur (C.G.), who welcomed all the students and faculties from Swami Atmanand Govt. English Medium College. The program was divided into three sessions, each focusing on different aspects of ICT and AI.

Session 1: Introduction with AI & AI Tools

Dr. H. S. Hota conducted the first session, where he provided an introduction to Artificial Intelligence and various AI tools. He elucidated different AI tools and their implementations, offering insights into the practical applications of AI in real-world scenarios.

Session 2: Introduction with Mobile Application Development

Mr. Kamal Kumar Gavel led the second session, discussing the fundamentals of Mobile Application Development. He provided an overview of the IT industry and elaborated on Android application development through practical implementation examples.

Session 3: Hands-on with AI Tools

Mr. Deepesh Kumar Dwivedi facilitated the third session, which focused on hands-on experiences with AI tools. He covered concepts of Artificial Intelligence, Machine Learning, and Deep Learning, and introduced students to different sensors, Arduino, and Raspberry Pi. A hands-on activity involving Basic Robo car and 6-axis robo was conducted, allowing students to engage directly with AI tools.

At the conclusion of the training program, Dr. G. A. Ghanshyam from Swami Atmanand Govt. English Medium College, Bilaspur (C.G.), expressed gratitude to all the faculties of the Department of Computer Science and Application, Atal Bihari Vajpayee Viswavidyalaya, Bilaspur (C.G.), for organizing the insightful and enriching event.

A total of 36 students from B.Com Computer Application and 38 students from B.Sc Computer Science actively participated in the entire session, demonstrating their eagerness to learn and engage with cutting-edge technologies in the field of ICT and AI for education.

The one-day training program served as a platform for students to broaden their knowledge, gain practical insights, and explore the vast potential of ICT and AI in shaping the future of education and beyond. It highlighted the importance of staying updated with technological advancements to meet the evolving demands of the digital era.

Overall, the event was a resounding success, fostering a spirit of innovation, collaboration, and lifelong learning among the students and faculty members alike.
