FOR THE STUDENTS OF B.Ed.

Institute of Advanced study in Education Bilaspur

Chhattisgarh

ORGANIZED BY

DEPARTMENT OF COMPUTER SCIENCE AND APPLICATION

ATAL BIHARI VAJPAYEE VISWAVIDYALAYA,

BILASPUR (C.G.)

EVENT DETAILS

The one-week AI4S (Artificial Intelligence for Students) training program on "ICT and Artificial Intelligence Tools for Teaching Learning" was conducted from 23rd to 30th January 2024 at the Institute of Advanced Study in Education, Bilaspur, Chhattisgarh. The program aimed to equip B.Ed. students with the knowledge and skills necessary to leverage ICT and AI tools in the teaching-learning process.

The program commenced with an opening ceremony presided over by Dr. H.S. Hota, HoD of the Department of Computer Science and Application, Atal Bihari Vajpayee Viswavidyalaya, Bilaspur (C.G.). The training sessions were divided into two batches, each consisting of 60 students, and were structured into three sessions per day.

During the valedictory function held on the final day, several students shared their feedback on the training program. They expressed their appreciation for the informative sessions and emphasized the practical relevance of the concepts covered. The interactive workshops and demonstrations were particularly well-received, providing valuable insights into the integration of ICT and AI tools in educational settings.

Certificates were distributed to all the participating students as recognition of their successful completion of the training program. The certificates serve as a testament to their dedication and commitment to enhancing their teaching skills through the adoption of innovative technologies.

The one-week AI4S training program proved to be a resounding success, empowering B.Ed. students with the knowledge and expertise needed to effectively utilize ICT and AI tools in their future teaching endeavors. It is hoped that the insights gained during the program will enable them to create engaging and dynamic learning experiences for their students in the years to come.

Overall, the training program served as a catalyst for fostering innovation and excellence in education, reaffirming the commitment of Atal Bihari Vajpayee Viswavidyalaya to the advancement of teaching and learning practices through the integration of technology.
