### DATE: MAY 30 - JUNE 16, 2022

# EVENT DETAILS

The Department of Computer Science and Applications, under the University Education Department, conducted a 15-15 day training program for female I.T. trainees from May 30 - June 16, 2022 under the MoU Between Department Of Computer Science And Application Atal Bihari Vajpayee Vishwavidyalaya, Bilaspur (C.G) and Govt. Women ITI Koni, Bilaspur (C.G.). During the training, the trainees were engaged in departmental activities and were acquainted with comprehensive knowledge of computer software and hardware. Classes were organized to familiarize the students with departmental activities and to teach them about computer hardware and software installation, internet usage, and various information related to popular websites.

List of Activities Edited by the Trainees During the Training:

1. Cataloging of admission-related files for students.

2. Compilation of admission-related files for students.

3. Cataloging and compilation of admission registers for enrolled students.

4. Checking and cataloging hardware and software available in the computer lab.

5. Updating departmental resource registry.

The trainees expressed their gratitude to the department for the training program with great enthusiasm. The successful execution of the training program was made possible under the guidance of Department Head Dr. H.S. Hota and organized by department faculty Mr. Jeetendra Kumar. Mr. Gaur, from the Government Women's I.T. Corner, supervised the program.

This training program aimed to empower female students with valuable I.T. skills and knowledge, fostering their professional growth and contributing to their future endeavors in the field of Information Technology.
