DATE: 22.07.2022

An expert talk titled "Hands-on Text Summarization using NLP" was organized as part of a high-end workshop on "Natural Language Processing using Deep Learning: Applications and Research Directions." The session was conducted by Mr. Nilesh Verma, an esteemed alumnus of the M.Sc. (Computer Science) program at Atal Bihari Vajpayee Vishwavidyalaya, Bilaspur, (C.G.), currently associated with Amlgo Labs.

The Department of Computer Science and Application at Atal Bihari Vajpayee Vishwavidyalaya, Bilaspur, (C.G.), took the initiative to organize this alumni engagement event to provide valuable insights into the evolving field of Natural Language Processing (NLP) and its applications in deep learning.

Mr. Nilesh Verma, with his extensive experience and expertise in NLP, guided the audience through practical demonstrations and discussions on text summarization techniques using NLP algorithms. He shared insights into the latest advancements in NLP research, particularly focusing on the integration of deep learning models for text summarization tasks.

The session provided attendees with a comprehensive understanding of the theoretical foundations and practical implementations of NLP algorithms. Participants had the opportunity to engage with Mr. Nilesh Verma, asking questions and seeking clarification on complex concepts related to NLP and deep learning.

The expert talk served as a platform for alumni, faculty members, and current students to interact, share knowledge, and explore emerging trends in NLP and deep learning. Mr. Nilesh Verma's presentation was well-received by the audience, who appreciated his practical approach and insightful discussions.

The Department of Computer Science and Application expresses its gratitude to Mr. Nilesh Verma for graciously accepting the invitation to conduct the expert talk and for sharing his valuable insights with the participants. The event concluded on a successful note, inspiring attendees to further explore the possibilities of NLP and deep learning in their academic and professional pursuits.
