Subject: **Final Semester Major Project to Students of this University**

Dear Sir/Madam,

We are pleased to inform that our University, Atal Bihari Vajpayee University is running a Two Year full time course of On successful completion of their three semesters, the students are required to undergo a mandatory major project in the field of computer science and application in their individual fourth (final) semester. The duration for the major project would be **six months** starting from the month of July 2021.

For this project, the student would be assigned software / research related problem or any other related project by the organization in its own field of interest. On successful completion of the same, the student is required to submit a project report to the concerned organization, as well as to this department.

Please find enclosed the brief resume of **Mr. /Ms.** a student of this course. We would be grateful if you could kindly accommodate him/her in your esteemed organization. A line of confirmation from your end will be highly appreciated by us in this regards.

We are looking forward to acknowledging your kind reply.

With warm regards.

Yours Faithfully

(Dr. H.S. Hota)
Head, CSA
